

REQUEST FOR PERMISSION TO PH.D. PROGRAM

To be completed by an M.S. student who wishes to enter the Ph.D. program and submitted with an Application for Change in Status to the Graduate Director at least one semester before scheduled receipt of the M.S. degree. The form should be accompanied by a brief description of the student's plans in the Ph.D. program, particularly in regard to the topic(s) for the Ph.D. dissertation.

TO: Graduate Director, Mechanical and Aerospace Engineering

I hereby request permission to study towards a Ph.D. degree after completion of my M.S. program. I recommend that you contact the following three professors at Rutgers concerning my ability to pursue a Ph.D. degree.

Professor _____

Professor _____
