

Rutgers, The State University of New Jersey
Department of Mechanical and Aerospace Engineering
Special Problems Form

Reminder: Submission of a written abstract defining the project approved by a faculty advisor must be completed on this form BEFORE registration. Once the faculty advisor has signed the form bring it to the Department Exec. Officer (A. Cuitino/D158) for approval and a to obtain a special permission number for registration. Note that you can earn 1.5 or 3 credits **towards either technical or general electives**. You should register for either 650:467/468 (1.5 cr.) or 650:491/492 (3 cr.), for either Fall or Spring Semesters.

PLEASE TYPE OR PRINT.

Name: _____

BPO: _____ Campus Phone #: _____ Email address: _____

Project Title: _____

Check-off one:

- 650:467 Engineering Projects Lab I (1.5 cr., Fall Semester)
- 650:468 Engineering Projects Lab I (1.5 cr., Spring Semester)
- 650:491 Special Problems (3 cr., Fall Semester)
- 650:492 Special Problems (3 cr., Spring Semester)

Year: _____

Specific Aim of Project (brief description): _____

Research Advisor's Signature: _____ Date: _____

Executive Officer Signature: _____ Date: _____
